

Owl and the Moon

A decodable reader · oo, ou, ow

Read by _____

Hoot! Brown Owl is out at night.

Owl sees the moon. It is round and bright.

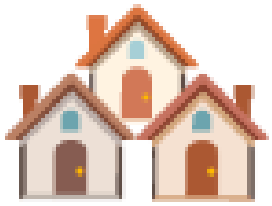

"I will zoom to the moon!" Owl hoots.

Owl flaps and zooms up and up.

Owl zooms past a cloud. Then a cloud is in the way.

Owl looks down at the town. "The moon is too far," Owl says.

Owl swoops back down to a tree.

Owl looks up at the moon. "I will be with you soon," Owl hoots.
