

The Night Sky

A decodable reader · Long i: igh, y

Read by _____

It is night. Ty and his dad sit on a hill.

The sky is black, but it is bright.

❓

"Why is the sky so bright?" asks Ty.

"It is the big, bright light up high," Dad says.

Ty spots a light flash by. "My! Is it a jet?"

"It is a light from the sky," Dad says.
"Make a wish!"

Ty sits still and makes a wish.

"I wish I can fly up high," Ty says.
Dad smiles. "Me, as well."
